ST. MARY'S BAY WRECK. Lost Boat Now Believed to Be the Steamer Helgoland.

o ride and still retain the prestige that

Steamer Helgoland.

St. Johns, Newfoundhold Jan. 18. Reports from St. Marys received here tocay, says the weather there is new favorable for conducting the secreting operations at the wrock. It is added that the
Colonial courser Flona and the tog Ingraham started at daylight for the scene of
deaster, and it was confidently expected
that the identity of the Helfated vessel
would be bearned before night.

Wrock Commissioner Lundrigan says
there was no formed in the vessel when he
reached the scene. He adds that her venitlators were situated far aft. His those of
a mark steamer and that she was a twomested whit.

The steamer has now completely disappeared from view, but a large quantity of
wrockage is visible along the beaches.

The tog ingraham reports that a boat
has been picked up off Cape Flon near the
scene of the wrock bearing the name. Helgoland." This without doubt is one of the
boats of the armsen steamer.

Everything goes to show that the wrocked
element is the Helgoland, the sreperty of
the Intel-American Petroleum Company,
Among a reimber of dage pleased up this
evening near Holyrood was one with the
colors plus, white and red, with the letter
R in the center. This is the nonse flag of
that campany. Taken with the finding of
the beat off Cape Flon it weems to bare no
bould as to the identity of the vessel. A
life brow was also picked up, with the
mame of the steamer painted on it, but the
bestering was partly ineligible from fire and
water.

Landsmen were unable to get down to
the heart and therefore unable to get down to Landsmen were unable to get down to Landsmen were unable to recover the beach, and therefore unable to recover the bodies, which have been lying there exposed five days and nights. Seven bodies are now ashore and can be reached when the sea becomes smooth. There are five others in the weekage near the ship, Others still were seen drifting south to-day. The wind is now veering landward again and will preliably drive them all ashore to-morrow, but it will keep a big sea on.

EMANUEL DIETZ A SUICIDE. Proprietor of Grocery and Saloon

Shot Himself. HESITATE BETWEEN CULLOM

AND TANNER. Democrats Are Hopeful of Carrying the Twenty-Second District

-Polities in "Egypt," REPUBLIC SPECIAL Carbondale, Ill., Jan. 16.-Never before in he present generation of voters has there een such a complete bewilderment among the leaders in the various counties of Southern Illinois. They are overwhelmed by the angled condition in the Republican ranks. Leaders are dazed, not being able as yes e choose the proper band wagon in which

has been theirs in the part. Jackson County is no exception to the rule, and every county in this section of the State is in the same boat, cago, is opening one of the finest hotels in-Southern Illinois in this city. It is prasumed that he will "dabble" somewhat in the politics of "Egypt," and among some of the besses the very name causes terror.

Others, who have sufficient foresight, are only too giad to sligh themselves with the Chicago-t'erbondale politician. The contest between Tourier and Cullon enter inerative positions under Tanner's etministration and in the past considered his mouthpiece, have also been extremely friendly to the venerable Senator, and now, as the road fories, they besttate which di rection to go. They reason thusly: Should Tanner be defeated, his political star would set at once, and should Cullom succe returning to the Senate, he also could not be expected to remain much longer in po-littest life, owing to his age. Again, cliculd Tanner win, the machine which he created and with which he has so

years past, would be so intrenched th be a member of it would mean political shipwreck. The problem is perplexing the Republican leaders and he who has a solution would be halled as a modern savior. wished that his breast was made of glass,
